

# 25 IN 25 WE'RE LEVELLING THE GROUND FOR WOMEN IN EARTHWORKS

**At Blackwell Earthmoving, we're committed to breaking down barriers and creating opportunities for women in our industry.**

With a target of at least **25% women** in our workforce **by the end of 2025**, we're offering roles across all levels with the training and support you need to succeed.

Whether you're starting an **apprenticeship**, a recent **graduate, engineer, quantity surveyor, skilled operator**, or seeking a fresh start as a **trainee plant operator**, we want you to grow with us.

Help us build a stronger, more inclusive team – apply today.

RESPONSIBLE | RESPECTFUL | RELENTLESS | RESILIENT

Established in 1956, Blackwell Earthmoving Ltd is one of the UK's largest specialist earthworks contractors and has been involved with the construction of much of the country's motorway network, HS1 as well as Heathrow Terminal 5. We are part of Hargreaves Services plc.

With a number of major construction projects currently underway across the UK, such as HS2 and Sizewell, we are seeking new recruits to join our long-standing and experienced workforce.
